Universal Periodic Review of San Marino

6 November 2019

Intervention by Mr. Daniel Batliner

Permanent Mission of Liechtenstein

Liechtenstein welcomes the distinguished delegation of San Marino and wishes to thank for the valuable information provided in the introductory statement and in the national report. Liechtenstein welcomes San Marino's efforts to implement recommendations since the last Universal Periodic Review as well as its strong commitment to human rights in general. In particular, we welcome San Marino's ratification of the Kampala Amendments to the Rome Statute.

In a constructive spirit, Liechtenstein recommends that San Marino

1. Establish a fully independent consolidated national human rights institution in accordance with the Paris Principles.
2. Ratify the Optional Protocol to the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment.
3. Establish criminal legislation covering all grounds of discrimination, including language, color, ideology, and gender identity with a view to its full implementation.

We thank you.
