Intervention by H.E. Ambassador Kurt Jäger

Permanent Representative of Liechtenstein

Liechtenstein welcomes the distinguished delegation of Montenegro and wishes to thank for the information provided in the introductory statement and in the national report.

In a constructive spirit, Liechtenstein recommends that Montenegro

1. Ratify the Kampala Amendments to the Rome Statute on the crime of aggression.
2. Combat human trafficking and the sale of children by building capacities of government agents to effectively identify and support victims and initiate criminal proceedings where appropriate.
3. Ensure that cases of gender-based violence are duly investigated and alleged perpetrators prosecuted and punished commensurately and that victims receive the support they need.
4. Clearly define corporal punishment in legislation and ensure that the prohibition of this punishment is enforced, in particular with regards to children.

We wish you a successful UPR. I thank you.
