Intervention by Ms. Malina Gepp

Permanent Mission of Liechtenstein

Liechtenstein welcomes the distinguished delegation of France and wishes to thank for the information provided in the introductory statement and in the national report.

In a constructive spirit, Liechtenstein recommends that France

1. Bring all legislation concerning communication surveillance into line with international human rights standards.
2. Ensure credible and independent investigations into alleged cases of abusive and discriminatory practices by law enforcement agencies, including possible disproportionate use of force, with a view to providing better safeguards for the freedom to peaceful assembly and association.
3. Ratify the Kampala Amendment to the Rome Statute on the crime of aggression.

We wish you a successful UPR. I thank you.
