Thank you, Mr. President.

In a constructive spirit, Liechtenstein recommends that Saudi Arabia

1. Ratify the Rome Statute on the International Criminal Court,
2. Ratify the Optional Protocol of the Convention against Torture,
3. Establish a moratorium on the death penalty with a view to its abolition, in particular for minors,
4. Enforce existing laws and adopt legislation criminalizing all forms of violence against women,
5. Adopt legislation to guarantee the right to freedom of expression, both online and offline, in line with international human rights law.

We thank you.
